

IMMIGRATION

***"Give me your tired, your poor,
Your huddled masses yearning to breathe free."***

From *The New Colossus* by Emma Lazarus (1849 – 1887)

1. Immigration Discussion

1. What are some of the different reasons people move to other countries?
2. Do you know anyone who has moved to a different country? Why did they move and where did they move to? Do they like living there?
3. What problems do immigrants face in their new countries? How would you deal with these problems if you were an immigrant?
4. What rights should new immigrants have? Should they be able to work or vote, for example?
5. Are there many immigrants in your country? Where do they usually come from? Why do you think they moved from their country? Have these immigrants integrated into society, or do they tend to segregate themselves? Do you know any of these immigrants personally?
6. Would you say your country and its people are open and welcoming to immigrants?
7. How can society help immigrants settle?
8. Does immigration threaten local culture in anyway?

2. Immigration Vocabulary

- **to immigrate (to) / migrate (to)** (verb), **immigration / migration** (nouns) – *to move to another country (immigration) or simply to move (migration).*

5. Immigration Writing Task

Write about how immigration affects a country. Try to use some of the vocabulary you learned earlier in this lesson. In your answer, you could include some of the following topics:

- The benefits of immigration.
- Any problems caused by immigration.
- What policies are needed to control immigration.

Alternative exam practice question:

Some people say that countries rely too heavily on attracting highly skilled immigrants to fill gaps in their labour markets, rather than investing in necessary education and training for their own citizens. Discuss the advantages and disadvantages of the immigration of highly skilled migrants to a country.
