HEALTH & WELL-BEING

"There's a lot of people in this world who spend so much time watching their health that they haven't the time to enjoy it."

Josh Billings (1818 – 1885), American humorist

1. Health & Well-being Discussion

1. Would you say you lead a healthy lifestyle?
2. What are some things that people do that damage their health? What do you do that isn't good for your health?
3. Have you ever made any changes to your life for health reasons?
4. What is the ideal amount of sleep per day? Do you think you get enough sleep? How does it affect you if you don't get enough sleep?
5. What are the most important health issues in your country? How about in the world?
6. What is more important, a healthy mind or a healthy body?
7. Do you ever meditate? If so, how does this help you?
8. Do you think enough is done to care for those with mental health problems, or do you think mental health is being ignored by society? If the latter, why is this and what can be done?
